Directing the Policy on Irish-medium Education

Below is a list of actions proposed by the Department of Education, with 5 areas to be identified as priorities.

Which actions do you think would have the most positive impact on the future of Irish-medium education? Is there anything else you would recommend, that hasn't been included below?

1. **Increasing awareness of the benefits of Irish-medium education**
2. **Supports for parents who don't speak Irish who would like to choose Irish-medium education for their children**
3. Measures to support **increased diversity and inclusion** in Irish-medium settings
4. Measures to support young people with **special educational needs** in Irish-medium settings
5. **Developing and implementing standards for all-Irish units/streams** (Aonaid/Sruthanna) in English speaking schools
6. **Developing and implementing standards for Gaelscoileanna/Gaelcholáistí**
7. **Increasing the availability of resources** (textbooks, online resources, etc.) in Irish
8. **Teaching some subjects from a remote digital hub** to expand the range of subjects available through the medium of Irish
9. **More teachers and early years educators** for Irish-medium education
10. Financial incentives to attract teachers/educators to Irish-medium education
11. **Training for teachers/educators on immersion education methodology**
12. **Irish language classes for teachers/educators** who would like to work in Irish-medium education
13. **Establishing new all-Irish schools/settings** where there are none available
14. Clear process to **facilitate English speaking schools to transition to all-Irish schools**
15. **Funding research** on Irish-medium education
16. **Facilitating links between all-Irish schools and Gaeltacht schools**
